IMPORTANT!—ASTHMA CURED!! PUTNAM, Ohio, May 18, 1841.

Dr. D. Jayne.—Dear Sir.—Doctor Helmeck has used some eight or ten bottles of your EXPECTORANT, and has found decided benefit.—His health is better than for several years past, and his appearance indicates decided improvement in health. His confidence in your medicine has induced him to recommend it to his friends, and we are informed that many of them have been cured, and others greatly relieved.

WESTPORT, N. Y., Oct. 20, 1841. Dr. D. Jayne.—Dear Sir.—Your Hair Tonic is an excellent article. Many respectable persons also offer their certificates in favor of your Expectorant. I believe your medicines are the best preparations that have ever been offered to the public, for the relief of the afflicted, and for the cure of the diseases for which they were intended.

TOOTH ACHE CURED.—MR. ANOTHER CASE OF NEURALGIA CURED BY ROWAND'S MAGIC LOTION!!! Mr. J. T. Rowand.—Sir—Several weeks since, a daughter of mine about nine years old, was attacked with the most excruciating pains in her hands, limbs and various parts of the body. For several days she was almost frantic from pain, uttering cries and shrieks continually! A burning fever coming on, it seemed almost impossible that she could live. When in this condition and not having called her eyes for 36 hours a friend of yours called and applied your celebrated MAGIC LOTION, and in less than five minutes the pain was entirely removed! A few hours after, the pains returned in some measure, but yielded as at first, almost instantly to the Lotion, and contrary to my expectations, my child recovered and is now in good health.

READ IT! IT SPEAKS FOR ITSELF.

AND COMMENTS ARE UNNECESSARY!! Philadelphia, May 28, 1845. Dr. Jayne.—Dear Sir: I feel bound to the afflicted to give publicity to the extraordinary effects of your valuable medicines.

I have suffered for several years past with Liver Complaint, and the train of diseases which follows—a complete prostration of the system—so that it was with great difficulty I could walk, and at times I was confined to my room. To add to my misery, a Scrophulous affection appeared in my throat, with Rheumatism in my arms, so that I could not raise my right arm to my head. In the hottest weather my feet and hands would ache with the cold, and perspiration had almost ceased. I now became afflicted with a dry hoarse cough and gave up all hopes of ever getting well. I had night sweats, and not little or no sleep, with frightful dreams and much headache. I seemed to be bordering on INSANITY, and was denied all study or mental exercise. I could not read a small paragraph in a newspaper without great difficulty. I had great soreness in my stomach, which caused it to swell so much that I was unable to lie down, or even to recline, but had to be propped in a chair.

I had the advice of some eminent physicians, and tried nearly all the remedies used in such cases, but continued to grow worse, and it appeared as though a speedy dissolution was taking place.

I now heard of your medicines, and determined to try your SANATIVE PILLS, and to my surprise the soreness left me, so I could walk about the house. I continued to improve from that time. Shortly after my wife called at your Store, and stated my case to you, and you sent me a bottle of your Alternative, and also word to come and see you, and you would investigate my case, and cure me. This I did not believe, as I felt I was beyond the reach of human skill.

After taking your Alternative and Pills, for three weeks, there was a decided change for the better, so that when I called upon you, you said I would get well, and that your Alternative would cure me effectually. With no hopes, however, of getting well, I still continued taking your Alternative, until I had taken the fourth bottle, when there was a sudden change in my whole system, as though I had got rid of some great burden, and I could draw my breath as usual. My nerves gradually became strong, and my appetite returned.

It has been about four months since I commenced taking your Medicines, and at this time nearly every vestige of disease is eradicated from my system. I am as active, and nearly as strong, as at any period of my life. I have now gained nine pounds in two months.

I have good reason to believe that the use of your valuable Medicines, by the help of God, has saved me from a premature grave. JOSEPH BARBAR. DR. SPENCER'S VEGETABLE PILLS

AND SPENCER'S PILLS AND RESTORATIVE TONIC. Kershaw District, S. C., June 5th, 1846. In January, 1844, from wet and exposure, I took a severe cold, which resulted in a long fever, accompanied with a severe cough, and painful headache. These continued to increase in severity for about two weeks, so much so that my friends considered me, and I myself believed I was in a very critical and dangerous state. At the end of this time I sent for and cured two Boxes of "Spencer's Pills," and the first day of their use. I began to experience relief, and before I had taken one box, my fever was gone; Cough had ceased, and Headache entirely cured. I was soon sound and well. I then said and still believe, that by the blessing of God, they were the means of saving my life. In looking over the directions afterwards, I saw they were recommended for the cure of Dyspepsia, with which my eldest daughter had been afflicted for a long time. I recommended her to make trial of them; and she had been cured by a continued use of the Pills alone, was perfectly and I think permanently cured.

DR. JACKSON'S PILE EMBROCATION

Warranted to Cure HEMORRHOIDS, OR PILES, a disease produced by local irritation, costiveness, purgative stimulants, undue determination of blood to the hemorrhoidal vessels by excessive riding or walking, or a congestive state of the liver, and peculiarity of the constitution itself. It is usually considered under three forms or varieties, as follows—Blind Piles, White Piles, and Bleeding Piles.

This disease is so common, and so very well known, that a description of its symptoms is not deemed necessary. The success that has followed the use of the Embrocation in the cure of this disease, has been truly astonishing. Physicians now advise their patients to try it, as the only

Pile Medicine.

In addition to its being a positive remedy for the Piles, it never fails to cure that INFLAMMATION, RABBITCHING, which is so very common, and has its location in the same parts as the Piles.

Read the following, from the editorial columns of Alexander's Weekly Messenger: "Found at last!—A cure for the Piles!—Physicians and Chemists have long been anxious to discover a medicine that would cure the most troublesome diseases, the Piles. Success has at last been the result. DR. JACKSON'S PILE EMBROCATION not only stops all bleeding, allays pain and inflammation, soothes the intolerable itching, but effectually cures like a charm, and in a very short time, persons whose lives have been rendered miserable for years.

SCARPA'S ACUSTIC OIL

FOR the cure of DEAFNESS, Pains, and the discharges of matter from the Ears. Also, all those disagreeable noises, like the buzzing of insects, filling of water, whizzing of steam, &c., &c., which are symptoms of approaching Deafness, and also generally attendant with the disease. Many persons who have been deaf for ten, fifteen and twenty years, and were obliged to use ear trumpets, have after using one or two bottles of this medicine, thrown aside their trumpets, being made perfectly well.

The application of the Oil produces no pain, but on the contrary an agreeable and pleasant sensation. The recipe for this Medicine has been obtained from an Artist of great reputation, who has found, from long observation, that deafness, in nine cases out of ten, was produced either from a want of action in the nerves of hearing, or a dryness in the ear; his object, therefore, was to find something that would create a healthy condition in those parts. After a long series of experiments, his efforts were at last crowned with success; the discovery of this preparation, which has received the name of "SCARPA'S COMPOUND ACUSTIC OIL." It has been used in this country about six years, and so wonderful has been its effects in curing and relieving the deaf, that from pure motives of humanity, it is now offered to the public, that all may have an opportunity of proving its efficacy. A long list of certificates might be given, but such is the confidence in the medicine, and so high its reputation, that but few of them will be published.

It is only necessary to add, that this medicine has been recommended and used by many of the best physicians and surgeons in Europe and in this country.
